

Our Program

Each year there are more than 200 substantiated cases of abused and neglected children in Jefferson and Ripley Counties. These children face uncertain futures without a safe place to call home.

Overburdened foster care and child welfare systems are not equipped to fulfill all of the requirements for children in need of services in our local communities. That's where we come in.

"Every child deserves to be loved and cared for in a home where they can feel safe and secure. Being a CASA gives me the opportunity to help make sure that basic need is fulfilled."

- Kathy Mattucci

Voices for Children is a non-profit 501-c(3) helping to make a difference in the lives of our community's children through the Court Appointed Special Advocate (CASA)/Guardian Ad Litem (GAL) volunteer program. We are certified by the state of Indiana CASA and a member of national CASA.

Our CASA volunteers are community members who have been trained by Voices for Children to advocate for children who are involved with the court system due to being victims of neglect or abuse. Jefferson and Ripley Counties currently do not have enough CASA/GAL volunteers to represent all of the children in care -- and that's where you come in.
